Product (complete pricing details available on our web site rpmccs.com/pricing)

Select One	RPM License	Price
	RPM Lite**	\$595
	Single User License with Access Database	\$1795
	Five User License with Access Database	\$2395
	Five User License with SQL Database*	\$3395
	Unlimited User License with Access Database	\$3595
	Unlimited User License with SQL Database*	\$4595
	Multi Company License with Access Database	\$5995
	Multi Company License with SQL Database*	\$6995

Select the desired RPM user license. Users are counted as concurrent users (the number of users logged into RPM at any one time).

Purchase includes a one year license. After one year, you will receive an invoice for the annual license fee. The license fee includes upgrades to the program as well as technical support. Support includes unlimited email and up to 10 phone incidents per year (excluding RPM Lite).

*SQL Server license not included.

** Includes email support only.

Payment

Pay online with a credit card at rpmccs.com/payment using Quote #2019 or mail a check to:
Complete Computer Solutions, Inc.
PO Box 875
Floyds Knobs, IN 47119

Once we receive your payment, we will email a link with the license and installation instructions.
